

PLACEMENT OPPORTUNITY

We are looking for a Chef at Châteaux des langues!

Do you dream of living and working in the French countryside?

Would you like to cook for the château's guests?

If so, why not join us in the château's kitchen, cooking delicious meals using home-grown fruit and vegetables.

This would be a great opportunity for you to discover French cuisine and for our French chefs to learn to add a foreign touch to their fare!

The internship will be paid (approx. 1000 euros/month) and accommodation will be provided for you. We are a very friendly team made up of both English and French members of staff. We are based in the countryside of north-western France with very scenic and peaceful surroundings. There are local towns to visit, plenty of countryside walks to take, lots of nature to observe and much more.

A basic level in French would be a plus.

TASKS:

- Cooking daily meals for the château's guests alongside our French chefs
- Help in the garden if needed

To apply please send your CV and a short video of you making a dish which is special to you – we would like to see the process from start to finish as well as the plate at the end (do not worry about the quality of the video, a smartphone is more than sufficient) to:
